the origin of the Christmas crèche, the Christmas tree, why we send Christmas cards, Las Posadas, the Polish “Oplatek,” and much more. For only \$9.95, this sturdy little book will bring joy to children of all ages for years to come.

Your little ones will learn the true story of Santa Claus when they watch *Nicholas: The Boy Who Became Santa*. This historically accurate 30-minute DVD takes us back to the time of Nicholas, a boy who cared about people. His charity helped him become Saint Nicholas, and his spirit lives on in Santa Claus.

FOR TEENS

Desiderata: A Teenager's Journey to God uses the mysteries of the rosary to help teens understand important Christian virtues and how to live them. Stories of saints and modern role models as well as meditations teach us how to choose Christ every day.

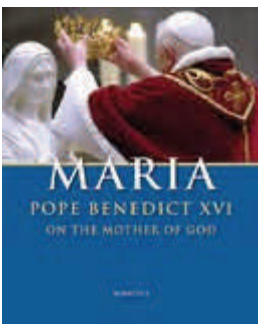

Peter Kreeft uses scripture to give answers to both common and important questions like "How will the Bible help me know myself?" and "What do I say if people challenge my beliefs?" *Your Questions God's Answers* will make a great gift for your teen.

FOR EVERYONE

Christmas CDs!

"Mary, Virgin and Mother, shows us what love is and whence it draws its origin and its constantly renewed power." *Maria*, Pope Benedict XVI's book on the Mother of God, is full of photographs of beautiful paintings and sculptures of Our Lady, accompanied by the Holy Father's words on our perfectly unique heavenly mother.

A Medieval Christmas chronicles in magnificent works of art the story of Our Lord's nativity, from the Annunciation to Mary by the Archangel Gabriel to the flight into Egypt by the Holy Family to escape King Herod. This book would make the perfect gift for just about anyone on your Christmas list.

Have a blessed Christmas!
